

DATA SHEET DIGITAL PRINTING OPAQUE POLYESTER POP 330 TP

White opaque polyester film, thickness 330 µm, non-adhesive, destined for waterbased inkjet, for indoor displays. Satin finish.

SPECIFICATIONS:

	<u>Average values</u>
• Total caliper (µm):	330
• Total specific weight (g/m ²):	450

PRINTER AND INK COMPATIBILITY:

- Aqueous dye or pigment inks
- Thermal and piezo-electric printheads

RECOMMENDATIONS:

- Media and prints are affected by direct projections of liquids and finger prints (gloves strongly recommended).
- Touch dry after less than 5 minutes depending on printer used.
- The print may be cold laminated with a clear self-adhesive vinyl (Hexis PSPOP).
- The visual appearance of the print may be modified/improved/protected by a judicious choice of V700 (gloss, matt or satin) or PSPOP lamination.
- Before laminating, coating and others, inks need to dry for 24 hours.
- Media may delaminate; handle edges with care.

STORAGE:

- Shelf life (before application):
1 year at +10 °C to +30 °C (+50 °F to +86 °F) at 30 % to 65 % relative humidity, rolls standing upright in a dustfree environment before usage and in the original packing.

Note:

If in doubt about the compatibility of the product with any particular application we recommend that the user carry out a trial before the final application or seek advice from the manufacturer. The methods of measuring for the standards quoted above are the basis for the development of our own measuring methods which are available on request (partial application). You are invited to enquire for the latest instructions in force. All data are believed to be correct but do not constitute a warranty, representation or promise, express or implied as to the condition, quality, merchantability, fitness for a product, or that such product will satisfy any requirement for a specific property or capacity or special methods, all such warranties being hereby expressly disclaimed. The buyer has to determine the suitability of the materials for the intended purpose prior to purchase. HEXIS S.A. or its affiliates assume no liability for claims beyond the replacement value of any product proven to be defective in material or workmanship and is in no way liable for direct, indirect, special, incidental damages or consequential loss including without limitation lost profits or loss of use, whether based on contract, tort or any other legal theory.
